

Death come creeping

Lyrics : Charley Patton / Music : Stefan Grossman

Oh hush, Oh hush, somebody is calling me  
Oh my lord, oh my Lord what shall I do?

Oh death, Oh death, done stole my mother and gone  
Oh my lord, oh my Lord what shall I do?

Don't move my pillow until you turn my bed around  
Oh my lord, oh my Lord what shall I do?

I lost my friends, lost my home  
don't know where I'm going'  
Roamin' ghosts are all around  
filling the fields outta town

Lost my dad, lost my mom  
Death left me all alone  
Don't even know wher'I come from  
The devil took me in his kingdom

God told Nicodemus he must be born again  
Oh my lord, oh my Lord what shall I do?
