

## **You gonna hate me**

I gave you time, you gave me love  
I used to think that we were a kind of  
Ready to live a real story  
Pick up a chance and leave no worry

### **Refrain**

You gonna hate me  
You gonna hate me  
You gonna hate me

I met your parents, I met your children  
I met your friends, we were just fine  
But I'm no maid, I am no savior  
I wont get nailed, I am no father

### **Refrain**

### **Break :**

I wont get back, no one turns back  
No one turns back, I wont get back

**Pont:** No one turns back  
to get disliked, treated this (a)way  
No one gets back  
to get disliked, treated this...

### **Break :**

I wont get back, no one turns back  
No one turns back, I wont get back

**Pont:** No one turns back  
to get disliked, treated this (a)way  
No one gets back  
to get disliked, treated this...
